Special Enrollment Events/Changes in Family Status Notice

If you decline coverage for yourself and/or your dependents (including your spouse) now because you are covered by another health insurance plan, you may be able to enroll yourself or your dependents in this plan in the future. If you acquire a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents provided that you request enrollment within 30 days after the event. These events are referred to as changes in “family status.” In addition, if you were to lose coverage, you must request enrollment within 30 days after the coverage ends and if the event qualifies as a “family status” change. When you become enrolled as the result of a Special Enrollment Event, coverage will be made effective on the date of the event.
