Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Wick Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Kimberley Pressley at 734.532.1502 for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/orw95P> , or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels for the 2017-18 school year.

Based on the data included in the Combined Data report included in this cover letter, the most significant challenge for Wick School still exists in the area of Science where none of the students scored proficient on the 2017-18 M-STEP. A challenge also exists with closing the achievement gap in math between male and female students in fourth and fifth grade. According to the data, in 2017-18 the number of fourth grade female students proficient in math was 9.1% compared to 20% males, and the number of fifth grade female students proficient in math was 5.3% compared to 0% of males. The percentage of fourth grade economically disadvantaged students increased significantly from 5.3% in 2016-17 to 15.2% in 2017-18.

The following initiatives have been implemented in order to address current challenges and to accelerate student achievement. A teaming approach is being implemented in grades K, 1, 2, 3, 4, and 5 in order to create "content area

experts". This year, teachers received Math and Science professional development. Math Job Embedded Coaching continued in the area of mathematics. A new viable and challenging curriculum continues to be implemented and monitored in the areas of science and mathematics. Understanding and implementing Professional Learning Communities was a school and district-wide focus.

Process for Assigning Pupils to Schools

In accordance with the Romulus Community Schools' Board of Education Policy, attendance areas may be established for each attendance center in the district to assist in designating pupil assignments to schools. Once assigned to a school, the building Principal shall be responsible for assigning students to specific classrooms within the school, taking into consideration available space, class sizes, and scheduling requirements.

Wick Elementary School Improvement Plan Status

Wick is still accredited by AdvancED accrediting agency. We continue to focus on implementing the Accreditation Standards and Policies and using a continuous improvement process focused on improving student learning and organizational effectiveness. The School Improvement Team continues to meet monthly as in the past to monitor the school improvement plan progress. Grade level meetings, Staff meetings and Professional Learning Community days were also used to provide time for the staff to collaborate, monitor, and assist one another in the implementation of the school improvement/professional growth plans.

School Improvement Goals 2018-19

1. All students will improve reading across the curriculum.
2. All students will improve their writing skills across the curriculum.
3. All students will improve their math problem solving across the curriculum.
4. All students will be proficient in Social Studies.
5. All students will be proficient in Science.
6. The Wick school community will develop a positive, inclusive learning environment that builds capacity for strong leadership and effective instruction.

Romulus Community School K-12 Core Curriculum

The Romulus Master Curriculum is stored in the Rubicon Atlas system located on the Romulus website at www.romulus.net. The Curriculum Director devised a Curriculum and Assessment Plan to be implemented over the course of 5 years. All Elementary Schools began implementation of the new curriculum at the start of the 2015-16 school year. The uploaded curriculum is used, reviewed, and aligned with district, state, and common core standards for math, ELA, science, and social studies; Elementary Schools are kept abreast of the progress through Learning Specialists discussing at staff and PLC meetings.

Student Achievement Results

In addition to the M-STEP test, students are administered the Northwest

Evaluation Association (NWEA) Measure of Academic Progress (MAP) assessment in the Fall, Winter and Spring. The results over the past two years for this assessment are displayed below:

Student **Math** Assessment Data-Measures of Academic Progress (MAP) By Grade:

| 5 | 46 | 2017-18 | 221.4 | 199.6 | 17 |

*Count of Students with Valid Beginning and Ending Term Scores

The percent of students who met/exceeded the growth projection decreased from 2016-17 to 2017-18 at all grade levels except kindergarten. Only 17% of fifth graders and 21% of fourth met their projected RIT. In part the significant decrease was due to teacher mobility at both grade levels but greater change occurred in fifth grade.

| Fall 2018 | 285 | 71% |

As we continue to move forward, we appreciate and value the continued support from the staff, parents and community. A school community that hopes to achieve excellence is only possible with the cooperation and dedication of parents, students, community and educators. We value the contributions of dedicated individuals who advocate for public education and look forward to all stakeholders coming together to make Wick elementary the most successful ever!

Educationally yours,
Kimberely Pressley
Principal
